LOCATION OF POSITION 111TH Fighter Wing 1151 Fairchild Street Willow Grove Air Reserve Station Willow Grove, PA 19090-5300	MAILING ADDRESS Dept of Military and Veterans Affairs ATTN: HR-AGR Ft Indiantown Gap Annville, PA 17003-5002	
BRIEF DESCRIPTION OF DUTIES: <p>This position is located at an Air National Guard (ANG) flying Wing and reports to the Support Group Commander. Investigates, identifies, analyzes, and interprets a variety of chemical, biological, and physical conditions in the work environment which may adversely affect the health of workers, the public, or the environment and to make recommendations to prevent, control, and/or eliminate these health hazards. Manages the Occupational Safety and Health Administration (OSHA) mandated Occupational Health Education and Training Program for the installation. Analyzes results of Bioenvironmental Engineering (BEE) industrial hygiene surveys, and determines the need for employee/worker occupational health medical surveillance exams. Notifies the medical facility of employees requiring a pre-placement, periodic, and termination occupational health exams; identifies specific parameters to be completed; and ensures examinations are completed to comply with OSHA requirements. Manages the installation Hearing Conservation Program, which includes identifying personnel who are exposed to hazardous noise levels using BEE survey data and input from shop supervisors; ensuring audiometric testing is completed; analyzing test results to determine if a standard threshold shift has occurred creating a need for additional monitoring; fitting worker with appropriate size and type of hearing protective devices; and providing instruction on proper use and care. Manages the Public Health portion of the installation Respiratory Protection Program, which includes ensuring medical evaluations are in compliance with regulatory requirements, and ensuring respirator users are properly fit-tested and trained. Develops and implements policies, plans, and instruction for ANG installation public health programs. Provides technical guidance to the Wing Commander and base disaster preparedness personnel in protecting personnel, the public, and the environment in the event of a disaster. Determines resource needs and allocation for the installation Public Health programs. Performs other duties as assigned.</p>		
NOTE: Consideration at the CMSgt/E9 grade level is restricted to current on-board PaANG AGR members. Based on current levels of manning, MSgt/E7 is the highest military grade that can be authorized for this position.		
MILITARY ASSIGNMENT: AFSC: 4EOX1		
APPLICATION PROCEDURES: Individuals meeting the qualification requirements may apply by submitting HRO Form 55 (available at MPF's). Certification by MPF (Section V) must be completed on HRO Form 55. Application form must arrive at the MPF not later than the closing date shown above.		
QUALIFICATION REQUIREMENTS This vacancy announcement is for a six (6) year tour under Title 32, USC Section 502(f). Officers must meet the entry level AFSC qualification criteria outlined in AFMAN 36-2105 for the SPMD position. Enlisted personnel must possess an AFSC compatible with the SPMD position outlined in AFMAN 36-2108 upon entry on military duty. Those applicants not members of ANG must include documents awarding AFSC (DD 214, orders, etc.).		
EQUAL OPPORTUNITY Consideration for placement and evaluation of qualification will be made on a fair and equitable basis without regard to race, religion, color, lawful political affiliation, marital status, sex, or national origin.		

HRO Form 100 -1- ANG (Revised 1 Oct 99)

SPECIAL INSTRUCTIONS

1. Personnel selected will be ordered to Active Duty Guard/Reserve (AGR) status under the provisions of Title 32, USC, Section 502f.
2. AGR personnel will perform all duties outlined in the appropriate position description. Individual selected will participate with the unit of assignment during all period of UTA and AT. Continuation of tour is dependent upon satisfactory job performance.
3. All applicants must meet the physical standards outlined in AFI 48-123. Medical exam must be within 36 months prior to entry into AGR Program and AF Form 895 must be completed if physical exam is over 12 months. New accessions must have physical exam approved by State Air Surgeon prior to entry into AGR Program. Members on Title 32 duty are subject to State Military Justice. The grooming standards in AFI 36-2903 apply.
4. Enlisted personnel must have sufficient retainability on their current enlistment to permit completion of the initial AGR tour.
5. AGR programs in each Military Service will be administered as career programs that may lead to an active duty military retirement. Personnel may, however, be placed in AGR status for occasional, one-time tours, or for a probationary period established by The Adjutant General, not to exceed six years. Continuation beyond the initial probationary period, or service in AGR status for more than 6 years constitutes retention and shall require subsequent management under a career program. Prior NGB approval is required if the end of this tour would place the member in an 18 - 20 year sanctuary.
6. Persons selected who do not have a current favorable NAC have an investigation initiated immediately upon entry. If the investigation is unfavorable, appropriate action will be taken to terminate the AGR tour.
7. Persons receiving or who are eligible to receive a Federal Retirement Annuity are ineligible to fill an AGR position. Technicians selected to fill AGR positions will be separated from the Technician Program.
8. Existing ANG promotion policies will apply to both officers and enlisted personnel. Grade ceilings of controlled grades may not be exceeded regardless of UMDA/VMDG authorized grade.
9. Individuals on the ANG Weight Management Program - Phase I are ineligible for entry into the AGR Program.
